Labor Delegates Seek Revisions

Would Modify State's Labor Relations Act

St. Paul, Sept. 17 (UP)—Delegates to the Minnesota convention of the American Federation of Labor act today on resolutions, including a proposal for modification rather than repeal of the state labor relations act.

Sixty resolutions were sent to the resolutions and legislative committees last night at the close of the first day of the convention. About two-thirds of the proposed resolutions dealt with legislative matters.

Disagreement was anticipated on the convention floor over the federation's stand on the state labor law. Robert A. Olson, Duluth, state federation president, yesterday recommended amendment rather than outright repeal of the law. Many delegates maintained, however, that the law should be repealed.

Among other resolutions was one which proposed that union men called into military service should be exempted from payment of union dues.

William Green, AFL president, will address the convention banquet tonight.
